Designing your poster tips

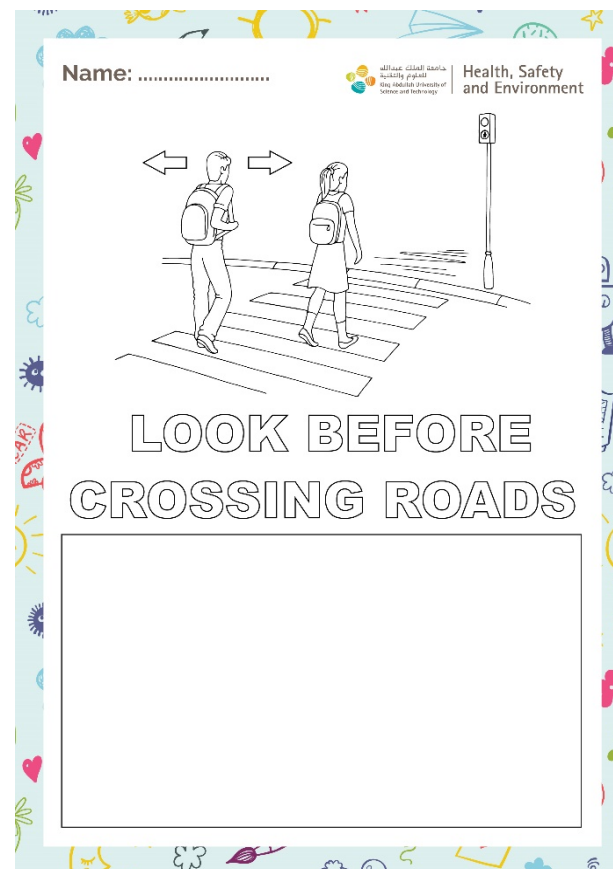

When designing your poster think about these things

- Make it **BIG**
- Make it **BRIGHT**
- Make it **SIMPLE** to understand

How can you do your poster?

Use the paper
template your
teacher will give
you

How can you do your poster?

You can use the CANVA app on your IPad or laptop which your teacher can help with to design your poster.

Try to be clear and simple with
your design

Make it colourful

Be creative

When your finished

- Your teacher will collect your poster design and each class will have a folder created in Google Docs
- Final submission date is **16th February 2023**
- Come to the **Bike Safety Event at Safaa Stadium** on the **9th March 2023**
- Winning posters will be announced for each Grade level winner
- Overall winner receives a brand new bike
- Prizes for each Grade winner
