

Lab Services

Container	Waste Type	Label	Notes
20L Drum	Acidic Aqueous	Acidic Aqueous Waste	Do not mix with other acids
20L Drum	Basic Aqueous	Basic Aqueous Waste	Do not mix with other bases
20L Drum	Organic Solvents	Organic Solvent Waste	Do not mix with other solvents
20L Drum	Flammable Liquids	Flammable Liquid Waste	Do not mix with other flammables
20L Drum	Corrosive Liquids	Corrosive Liquid Waste	Do not mix with other corrosives
20L Drum	Reactive Liquids	Reactive Liquid Waste	Do not mix with other reactives
20L Drum	Toxic Liquids	Toxic Liquid Waste	Do not mix with other toxics
20L Drum	Compressed Gases	Compressed Gas Waste	Do not mix with other gases
20L Drum	Flammable Gases	Flammable Gas Waste	Do not mix with other flammables
20L Drum	Corrosive Gases	Corrosive Gas Waste	Do not mix with other corrosives
20L Drum	Reactive Gases	Reactive Gas Waste	Do not mix with other reactives
20L Drum	Toxic Gases	Toxic Gas Waste	Do not mix with other toxics
20L Drum	Highly Reactive Solids	Highly Reactive Solid Waste	Do not mix with other highly reactive solids
20L Drum	Flammable Solids	Flammable Solid Waste	Do not mix with other flammables
20L Drum	Corrosive Solids	Corrosive Solid Waste	Do not mix with other corrosives
20L Drum	Reactive Solids	Reactive Solid Waste	Do not mix with other reactives
20L Drum	Toxic Solids	Toxic Solid Waste	Do not mix with other toxics
20L Drum	Highly Reactive Liquids	Highly Reactive Liquid Waste	Do not mix with other highly reactive liquids
20L Drum	Flammable Gases	Flammable Gas Waste	Do not mix with other flammables
20L Drum	Corrosive Gases	Corrosive Gas Waste	Do not mix with other corrosives
20L Drum	Reactive Gases	Reactive Gas Waste	Do not mix with other reactives
20L Drum	Toxic Gases	Toxic Gas Waste	Do not mix with other toxics
20L Drum	Highly Reactive Solids	Highly Reactive Solid Waste	Do not mix with other highly reactive solids
20L Drum	Flammable Solids	Flammable Solid Waste	Do not mix with other flammables
20L Drum	Corrosive Solids	Corrosive Solid Waste	Do not mix with other corrosives
20L Drum	Reactive Solids	Reactive Solid Waste	Do not mix with other reactives
20L Drum	Toxic Solids	Toxic Solid Waste	Do not mix with other toxics
