

KAUST Road Safety

جامعة الملك عبد الله
للعلوم والتقنية
King Abdullah University of
Science and Technology

Health, Safety
and Environment

1 Have a valid driving licence.

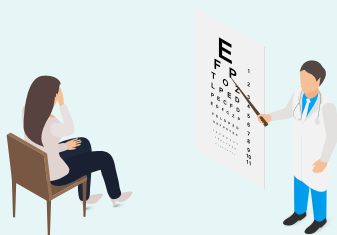

For the type of vehicle driven and keep personal details up to date.

2 Make sure you are insured.

You will need a minimum of 3rd party insurance for any vehicle driven on KAUST Roads.

3 Make sure you are medically fit to drive, or ride any vehicle.

For example: Have regular eyesight tests.

4 Maintain your car properly.

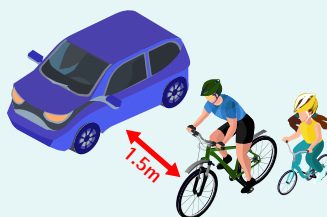

Routinely service the vehicle & undertake regular 'checks' by a reliable dealer, or garage.

5 Secure any equipment carried at the back of a pickup.

Make sure everything is tied securely so that it will not fly off.

6 Be aware of cyclists and pedestrians at all times.

Watch out for children playing on the side of the road and for cyclists.

7 Never Speed! Obey the speed limits in KAUST.

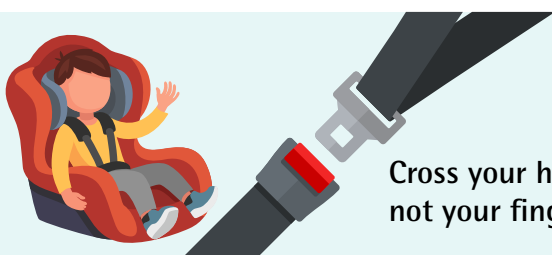

It's a speed limited... not a speed target.

8 Don't use your mobile phone while driving.

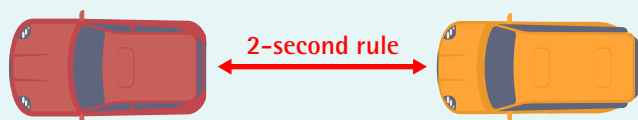

Also Avoid other distractions such as smoking, eating and drinking.

9 Always wear your seatbelt & make sure passengers do too.

Cross your heart, not your fingers.

10 Maintain a safe distance from other road users.

Report any incidents, or accidents, immediately to KAUST Security on 012 808 0911 & Report It.
