

# Driving In KAUST

Health, Safety and Environment are dedicated to ensure that KAUST is a healthy, safe and environmentally sustainable place to learn, work and live. One such program is to promote a strong Road Safety culture within our community.

## Category 1 Vehicles (For example cars, buses & trucks )

At KAUST, all drivers using KAUST roads must hold a valid license meeting the requirements of the Kingdom of Saudi Arabia (KSA).

## Golf Carts and Scooters

Anyone with a KSA driving license qualifies to operate a golf cart or scooter in KAUST.

## Carry your license

Operators of all vehicle classes are reminded to present a valid driving license meeting KSA requirements to Security on request. Drivers are responsible for carrying their driving licenses with them either electronically or in hard copy.
